GENERAL INFORMATION

PCT | Sunrise AdjuTec® AMS Tru is a unique, superior water conditioning agent and contains 17 pounds of ammonium sulfate (dry) when applied at the recommended three gallon rate. There are ingredients that allow the droplet to remain in a moist state for a longer period of time, increasing the time available for chemical up-take. AMS Tru also contains a proprietary defoaming system that significantly reduces foaming.

HAZARD STATEMENTS:

Causes skin irritation. Causes eye irritation. May be harmful if swallowed. May be harmful if inhaled. May cause respiratory irritation.

PRECAUTIONARY STATEMENTS:

Avoid breathing dust/fumes/mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wear protective gloves/clothing/eye and face protection. Avoid release into the environment. Store locked up. Store in well-ventilated place. Keep container tightly closed. Dispose of contents/containers in accordance with local/state/Federal laws and regulations.

IF SWALLOWED call POISON CENTER/doctor if you feel unwell. Rinse mouth. IF IN EYES rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so. Immediately call a POISON CENTER/doctor. IF INHALED remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a poison control center or doctor/physician if you feel unwell.

HANDLING AND STORAGE

PCT | Sunrise AdjuTec® AMS Tru is a mildly corrosive liquid fertilizer and should be handled and used in accordance with state, local and federal regulations where applicable. Materials and methods of construction selected for storage and handling should be those recommended by qualified manufacturers, associations or recognized testing laboratories. Type 304 or 316 stainless steel, polyolefins, fiberglass, reinforced plastics, polyvinyl chloride, polypropylene, polyethylene-applied coatings and rubber linings are generally suitable for storage and handling of mixed liquids. Aluminum, brass, copper, zinc and many alloys, especially those of copper base, are unsuitable for use in storing and handling mixed liquid fertilizers and must be avoided. Rinse and flush thoroughly before retiring equipment for the season. Store above 32°F.

CONDITIONS OF SALE

1. Seller warrants that their product consists of the ingredients specified and is reasonably fit for the purpose stated when used in accordance with directions under normal conditions for use. EXPECT AS PROVIDED ABOVE, THERE ARE NOT OTHER WARRANTIES, EXPRESS OR IMPLIED INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

2. Because the time, place, rate of application and other conditions of use are beyond sellers' control, sellers' liability from handling, storage and use of this product is limited to replacement of product or refund of purchase price. SELLER SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL DAMAGES.
