Refer To Safety Data Sheet SDS For Important Environmental, Safety, and Health Information

NET CONTENTS:

265 U.S. Gallons (1,003.13 L)

FIRST AID

Have the product container with you when calling a poison control center or doctor or going for treatment.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present, after the first 5 minutes, then continue cautiously rinsing eye.

IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash it before reuse. Wash skin with plenty of soap and water for several minutes.

IF SWALLOWED: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

IF INHALED: If breathing is difficult, remove person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance.

GENERAL INFORMATION

AdjuTec® MSO-HL II is a highly concentrated blend of methylated soybean oil and emulsifiers. The product is designed for use with a broad range of herbicides where a high surfactant oil concentrate adjuvant is recommended or allowed. High surfactant oil concentrates allow lower use rates than standard oil adjuvants. **AdjuTec MSO-HL II** increases contact activity and penetration of the spray, while also providing uniform coverage on leaf surfaces. Always follow herbicide label recommendations. Care should be taken in treating sensitive crops during drought stress, high temperatures and high humidity.

DIRECTIONS FOR USE

NOT FOR AQUATIC USE

To prepare for pesticide application, fill spray tank one-half full with water and begin agitation. Add pesticide or fertilizer as recommended and then add **AdjuTec MSO-HL II**, while continuing agitation. Fill tank and maintain agitation before and during application.

NOTE: The effect of any adjuvant on a chemicals performance is not predictable under all conditions of weather, plant vigor, application methods and even water types. The user should consult their local agricultural extension agent or do their own tests to determine the optimum level of **AdjuTec MSO-HL II** for special pesticide spray and crop.

APPLICATION OR USE RATES

Ground, Aerial, Low volume, CDA:

Recommended Rate of Crop Oil Concentrate or Methylated Seed Oil	AdjuTec MSO-HL II Use Rate
1% v/v (1 gallon per 100 gallons of water)	0.5-1% v/v (2-4 quarts per 100 gallons of water)
0.5% v/v (2 quarts per 100 gallons of water)	0.25-0.5% v/v (1-2 quarts per 100 gallons of water)
2 pints per acre	1-2 pints per acre
1.5 pint per acre	0.75-1.5 pint per acre
1 pint per acre	0.5-1 pint per acre

STORAGE AND DISPOSAL

Storage: Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies.

RECOMMENDED STORAGE: BETWEEN 40° AND 90° F.

Disposal: Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all local /regional/national/ international regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

IMPORTANT WARRANTY DISCLAIMER AND NOTICE

READ CAREFULLY BEFORE PURCHASE OR USE OF THIS PRODUCT

Conditions of Sale and Warranty Limitation: The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of PCT Sunrise or the seller. All such risks shall be assumed by the buyer. PCT Sunrise warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. PCT Sunrise makes no other express or implied warranty of fitness or merchantability or any other express or implied warranty. In no case shall PCT Sunrise or the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. PCT Sunrise and the seller offer this product, and the Buyer and the User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of PCT Sunrise.
