Nonionic Surfactant / Humectant

GENERAL INFORMATION

AdjuTec™ NIS 90/10 is an excellent quality, nonionic surfactant.

AdjuTec NIS 90/10 can be used with most insecticides, fungicides, herbicides, acaricides, defoliants, desiccants and wettable powders to improve performance of the active spray ingredient by giving them more uniform distribution and better wetting of the plant surface.

AdjuTec NIS 90/10 meets the requirements of most pesticide manufacturer's for a 90/10 surfactant.

DIRECTIONS FOR USE

NOT FOR AQUATIC USE IN THE STATE OF WASHINGTON

SHAKE WELL BEFORE USING

Variations in conditions of use can cause some variation in the amount of product required. The minimum required to give a smooth uniform coverage usually gives the most effective results.

TANK MIXING

Follow the instructions on the pest control product manufacturers label. If there are no specific instructions, add **AdjuTec NIS 90/10** after the pest control product has been thoroughly mixed into the tank mix water and preferably after all products have been mixed into the tank.

APPLICATION RATES

Applications	AdjuTec NIS 90/10 per 100 Gallons of Mix
Herbicides	1 to 4 pints
Acaricides	3 to 8 fluid ounces
Defoliants	1 to 2 pints
Desiccants	1 to 2 pints
Wettable powders	1 to 2 pints

Applications	Per Acre
Insecticides	2 pints
Fungicides	2 pints

Principal Functioning Agents

1,2,3-propanetriol, diethylene glycol, alkyl polyglycoside.....	90%
Constituents ineffective as spray adjuvants	10%
TOTAL	100%

All ingredients are exempt from tolerance under 40 CFR 180.

CAUTION KEEP OUT OF REACH OF CHILDREN

**Refer To Safety Data Sheet SDS
For Important Environmental,
Safety, and Health Information**

PRECAUTIONS

Read label before use. Keep container tightly closed. Keep only in original container. Do not eat, drink or smoke when using this product. Avoid breathing spray. Wash hands thoroughly after handling. Wear protective gloves, protective clothing, and eye protection.

FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing.

IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water.

IF SWALLOWED: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry place. Store in original container only. Do not add anything to the container. Keep container tightly sealed when not in use. Do not store near fire, flame or other potential sources of ignition. Do not contaminate water, food or feed by storage or disposal of this product. For optimal storage, store between 40° and 90° F.

Disposal: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal if allowed by law. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

IMPORTANT WARRANTY DISCLAIMER AND NOTICE

READ CAREFULLY BEFORE PURCHASE OR USE OF THIS PRODUCT

Conditions of Sale and Warranty Limitation: The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of PCT Sunrise or the seller. All such risks shall be assumed by the buyer. PCT Sunrise warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. PCT Sunrise makes no other express or implied warranty of fitness or merchantability or any other express or implied warranty. In no case shall PCT Sunrise or the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. PCT Sunrise and the seller offer this product, and the Buyer and the User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of PCT Sunrise.
