

BioBuild® BioSolum FX

PACKAGE SIZE

- ☐ 2.5 gallons ☐ 250 gallons
☐ 5 gallons ☐ Other _____

GUARANTEED ANALYSIS

Organic Matter Derived from Algae.....9.0%
Total Other Inert Ingredients.....91.0%

RECOMMENDATIONS FOR USE

PCT | Sunrise® BioBuild® BioSolum FX is a fast-acting foliar liquid microbial food produced from microalgae. BioSolum FX provides algae-derived organic material as a food source for microbes growing on foliage.

Apply at typical foliar nutrient and crop protection timings. Application can be made via foliar spray, or other methods which effectively apply BioSolum FX to the leaf.

USAGE RATE

- 8 ounces per acre per foliar application
- Application timing: In-season application at typical foliar nutritional and crop protection timings.
- BioSolum FX needs to be shaken or agitated to ensure full suspension of product prior to measuring and adding the product to the application mix. Supply tanks and spray tanks should have agitation.

CHEMICAL & PHYSICAL PROPERTIES

Weight per gallon: 8.51 lbs @ 68°F
Package Size: Minibulk, 2x2.5
Color: Green

KEEP OUT OF REACH OF CHILDREN

Read label before use.

If medical advice is needed, have product container or label at hand.

GENERAL INFORMATION:

BioSolum FX foliar treatment improves the unique microbiome of plant leaves (phyllosphere) with an inert microalgae food. This key food source feeds the microbes that provide nutrient acquisition, reduced leaf desiccation and abiotic stress relief.

BioSolum FX is a mix of lipids, proteins and carbohydrates that nourishes microbes (fungi and bacteria) so they can support the crop.

HAZARD STATEMENTS:

May cause mild skin irritation and staining. May cause mild eye irritation. May be harmful if swallowed.

PRECAUTIONARY STATEMENTS:

Wash hands, face, and other affected areas thoroughly after handling. Wear protective gloves/clothing/eye and face protection. Avoid release into the environment. Dispose of contents/containers in accordance with local/state/Federal laws and regulations. If skin or eye irritation occurs, get medical advice/attention. IF ON SKIN, wash with plenty of water. If skin irritation occurs, get medical advice/attention. Take off contaminated clothing and wash before reuse. IF IN EYES, rinse cautiously with water for several minutes. Remove contact lenses, if present, and easy to do so. Continue rinsing. If eye irritation persists, get medication advice/attention. IF SWALLOWED, call a POISON CENTER/doctor if you feel unwell. Rinse mouth. If exposed or concerned, get medical advice/attention.

HANDLING AND STORAGE:

MIX OR AGITATE THOROUGHLY BEFORE USE. For best results, keep this product in its original packaging until use. For multiple use, the container should be sealed properly after each use and stored in a dry cool place. Store out of direct sunlight. Protect from freezing. Store above 32°F. Avoid spillage as product may create slip hazard. Do not reuse empty container. Dispose of container in accordance with federal, state or local regulations.

CONDITIONS OF SALE:

1. Seller warrants that their product consists of the ingredients specified and is reasonably fit for the purpose stated when used in accordance with directions under normal conditions for use. EXPECT AS PROVIDED ABOVE, THERE ARE NOT OTHER WARRANTIES, EXPRESS OR IMPLIED INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
2. Because the time, place, rate of application and other conditions of use are beyond sellers' control, sellers' liability from handling, storage and use of this product is limited to replacement of product or refund of purchase price. SELLER SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL DAMAGES.
