## GENERAL INFORMATION

BioBuild Digester II is a highly concentrated blend of beneficial microorganisms, organic acid and amino acids specifically formulated to reduce recent crop residue. Digester II naturally breaks down the current year's residue and aid in returning trapped nutrients within the residue, to the successive year's crop.

## HAZARD STATEMENTS:

May cause mild skin irritation and staining. Causes serious eye irritation. May be harmful if swallowed. May cause staining of the skin.

## DIRECTIONS FOR USE:

Can be used on all soil types and crop residues.  
Can be applied post-harvest or post-cover crop.  
Can be applied: broadcast liquid applications, with boom sprayer and pivot irrigation. Tank mix compatible with most fertilizers, surfactants, herbicides, insecticides, fungicides and soil amendments.  
Once product tank mix has been made, it should be sprayed within 3 days.  
Agitate well for 3 to 5 minutes before use.

## PRECAUTIONARY STATEMENTS:

Wash hands, face, and other affected areas thoroughly after handling. Wear protective gloves/clothing/eye and face protection. Dispose of contents/containers in accordance with local/state/Federal laws and regulations. If skin or eye irritation occurs get medical advice/attention.  
IF ON SKIN wash with plenty of water. If skin irritation occurs get medical advice/attention. IF IN EYES rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. If eye irritation persists get medication advice/attention. IF SWALLOWED call a POISON CENTER/doctor if you feel unwell. Rinse mouth. If exposed or concerned get medical advice/attention.

## HANDLING AND STORAGE

Two year shelf life when stored in a cooled, climate controlled location. No refrigeration required. Follow SDS Instructions for safety precautions, cleaning, and personal protective equipment. If no instructions for washables, use detergent and hot water.
