GENERAL INFORMATION

BioBuild HF-20 is a 20% solution of humic and fulvic acids which are important chelators, combining minerals into organic compounds that are more available to plants. Humic and fulvic acids also tie up toxins, making them less available to plants and increase the water infiltration and water-holding capacity of the soil.

HAZARD STATEMENTS:

BioBuild HF-20 is not classified as hazardous.

PRECAUTIONARY STATEMENTS:

Wash hands, face, and other affected areas thoroughly after handling. Wear protective gloves/clothing/eye and face protection. Avoid release into the environment. Dispose of contents/containers in accordance with local/state/Federal laws and regulations. If skin or eye irritation occurs get medical advice/attention. IF ON SKIN wash with plenty of water. If skin irritation occurs get medical advice/attention. Take off contaminated clothing and wash before reuse. IF IN EYES rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. If eye irritation persists get medication advice/attention. IF SWALLOWED call a POISON CENTER/doctor if you feel unwell. Rinse mouth. If exposed or concerned get medical advice/attention.

HANDLING AND STORAGE

BioBuild HF-20 should be stored away from extreme heat and sunlight. Do not allow to freeze and store above 32F. It should be handled and used in accordance with state, local and federal regulations where applicable. Materials and methods of construction selected for storage and handling should be those recommended by qualified manufacturers, associations, or recognized testing laboratories. Type 304 or 316 stainless steel, polyolefins, fiberglass, reinforced plastics polyvinyl chloride, polypropylene, polyethylene-applied coatings and rubber linings are generally suitable for storage and handling of mixed liquids. Aluminum, brass, copper, zinc and many alloys, especially those of copper base, are unsuitable for use in storing and handling mixed liquid fertilizers and must be avoided. Rinse and flush thoroughly before retiring equipment for the season.

CONDITIONS OF SALE

1. Seller warrants that their product consists of the ingredients specified and is reasonably fit for the purpose stated when used in accordance with directions under normal conditions for use. EXPECT AS PROVIDED ABOVE, THERE ARE NOT OTHER WARRANTIES, EXPRESS OR IMPLIED INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
2. Because the time, place, rate of application and other conditions of use are beyond sellers' control, sellers' liability from handling, storage and use of this product is limited to replacement of product or refund of purchase price. SELLER SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL DAMAGES.
