

# NutraBurst™ Boron 7%

## PACKAGE SIZE

- 2.5 gallons**       **250 gallons**  
 **5 gallons**       **Other \_\_\_\_\_**

## GUARANTEED ANALYSIS

Boron ..... 7.0%  
Molybdenum ..... 0.0075%  
Derived from: boric acid, molybdic oxide, chitosan, salicylic acid, EDTA

## RECOMMENDATIONS FOR USE

Use in 2x2 application at planting or in foliar applications according to crop needs at key development stages. Boron is generally not recommended for in-furrow use; use only after careful consultation with a PCT representative or your own agronomist. Use 2 oz/ac in 2x2 or 16-32 oz/ac foliar in corn or soybean. Consult with your agronomist and use a tissue test to confirm final foliar rates. NurtaBoost™ Boron 7% may be tank-mixed with most herbicides, fungicides, or insecticides, although a jar test is recommended. When applying to foliage, total spray volume of 10-15 gal/ac is recommended for best coverage. Do not apply if air temperature exceeds 85° F or in noontday sun.

## CHEMICAL & PHYSICAL PROPERTIES

Acidity: pH 7.9  
Weight per gallon: 10.25 lbs @ 60°F  
Package Size: Minibulk, Bulk, 2x2.5  
Color: Clear

## **KEEP OUT OF REACH OF CHILDREN**

Read label before use.  
If medical advice is needed have product container or label at hand.

## GENERAL INFORMATION

PCT | Sunrise NurtaBoost™ Boron 7% is a liquid fertilizer designed with boron, molybdic oxide, and EDTA, to maintain rapid vegetative growth under adverse soil conditions or soils low in that nutrient. Boron is essential to strong cell walls, disease resistance, stem branching (in legumes), flower development, and pollination.

## HAZARD STATEMENTS:

Causes skin irritation. Causes eye irritation. Harmful if swallowed. Harmful if inhaled. May cause respiratory irritation. May damage fertility or the unborn child.

## PRECAUTIONARY STATEMENTS:

Do not handle until all safety precautions have been read and understood. Avoid breathing dust/fumes/mist/vapors/spray. Use only outdoors or in a well-ventilated area. Do not eat, drink or smoke when using this product. Wash hands, face, and other affected areas thoroughly after handling. Wear protective gloves/clothing/eye and face protection. Avoid release into the environment. Store locked up. Dispose of contents/containers in accordance with local/state/Federal laws and regulations. IF ON SKIN wash with plenty of water. If skin irritation occurs get medical advice/attention. Take off contaminated clothing and wash before reuse. IF IN EYES rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. If eye irritation persists get medication advice/attention. IF SWALLOWED call POISON CENTER/doctor if you feel unwell. Rinse mouth. IF INHALED remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a poison control center or doctor/physician if you feel unwell.

## HANDLING AND STORAGE

NurtaBoost™ Boron 7% is a mildly corrosive liquid fertilizer and should be handled and used in accordance with state, local and federal regulations where applicable. Materials and methods of construction selected for storage and handling should be those recommended by qualified manufacturers, associations, or recognized testing laboratories. Type 304 or 316 stainless steel, polyolefins, fiberglass, reinforced plastics, polyvinyl chloride, polypropylene, polyethylene-applied coatings and rubber linings are generally suitable for storage and handling of mixed liquids. Aluminum, brass, copper, zinc and many alloys, especially those of copper base, are unsuitable for use in storing and handling mixed liquid fertilizers and must be avoided. Rinse and flush thoroughly before retiring equipment for the season.

## CONDITIONS OF SALE

1. Seller warrants that their product consists of the ingredients specified and is reasonably fit for the purpose stated when used in accordance with directions under normal conditions for use. EXPECT AS PROVIDED ABOVE, THERE ARE NOT OTHER WARRANTIES, EXPRESS OR IMPLIED INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
2. Because the time, place, rate of application and other conditions of use are beyond sellers' control, sellers' liability from handling, storage and use of this product is limited to replacement of product or refund of purchase price. SELLER SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL DAMAGES.

**WARNING: Some crops could be injured by the application of Boron. Please contact your local agronomy representative before application. This product should only be used on soils that respond to molybdenum. CROPS HIGH IN MOLYBDENUM ARE TOXIC TO GRAZING ANIMALS.**
